❖ **Read the extract and answer the questions:[Select any TWO]**

**[Questions:7 to 10] [4]**

For my imaginative, industrious brother left enough projects in progress for the rest of us busy for many, many years. Walt was a complex man. To the writers, producers and animators who worked with him• he was a genius who had an extraordinary ability to add an extra stroke of imagination to any story or idea.

1. **Why was Walt a genius for the writers and animators?**
2. **Which two adjectives were used by the writer for Walt?**

Customer Service Rep: You're welcome. Click on the following files and then copy them to the "MY HEART" directory: FORGIVENESS.DOC, SELFESTEEM.TXT, REALIZEWORTH.TXT and GOODNESS.DOC. The system will overwrite any conflicting file and begin patching any fault programming. Also, you need to delete SELFCRITIC.EXE from all directories, and then empty your recycle bin afterwards to make sure it is completely gone and never comes back.

1. **Which file does the customer need to delete?**
2. **Why should the customer empty recycle bin?**

Mind, emotions and body are all closely interlinked and always work together. It helps you distinguish them clearly if you try to understand them separately. Your mental capacities are your abilities to concentrate, to take in new information and to be in a position to think logically. You need your mental capacity in order to study, to work, to impose a constructive and workable order on your life, and to make rational day-to-day decisions.

1. **How does our mental power make us powerful ?**
2. **Why do we need our mental capacity ?**

Customer Service Rep: No problem. LOVE will automatically erase PASTHURT. EXE from your current operating system. It may remain in your permanent memory, but it will no longer disrupt other programs. LOVE will eventually overwrite LOWESTEEM. EXE with a module of its own called HIGH ESTEEM .EXE. However you have to completely turn off GRUDGE.EXE and RESENTMENT.COM. Those programs prevent LOVE from being properly installed. Can you turn those off ma'am?

1. **Which file may remain in permanent memory**?
2. **Which of the following sentence is true**?
   a. LOVE will automatically erase HIGH ESTEEM .EXE.
   b. LOVE will eventually overwrite LOWESTEEM. EXE.

The overwhelming success of Walt's "crazy idea" triggered a dramatic about-face in the Disney fortunes. Yet success never changed Walt. He remained the simplest of men. He hated parties, and his idea of a night out was a burger and chili at some little restaurant. His only extravagance was a miniature railroad that ran around the grounds of his home.

1. **Did money change Walt's nature?**
2. **What did Walt not like?**

The apple orchard and weeping willows stand green and beautiful at our old farm, where Walt sketches his first animals. I recall how Walt and I would snuggle together in bed and hear the haunting whistle of a locomotive passing in the night. Our uncle Mike was an engineer and he'd blow his whistle – one long and two shorts –just for us. Walt never lost his love for trains. Years later an old fashioned train was one of the first attractions at Disneyland.

1. **What did Uncle Mike do for Walt and his brother**?
2. **Where did Walt sketch his first animals*?***

Customer Service Rep: LOVE is freeware. Be sure to give it and its various modules to everybody you meet. They will in turn share it with other people and they will return some really neat modules back to you.

Customer : I will. Thank you for your help.

1. **Which programme is a freeware**?
2. **Why should we give the freeware of LOVE to everyone**?

My brother Walt is no more, yet his influence lingers like a living presence over the studio where he turned out the cartoons, nature films and feature movies that made him known and loved around the world. Even now, as I walk around the studio crew, I half expect to encounter that tall, country –boy figure head bowed in thought about some new project.

1. **What made Walt Disney loved and known around the world**?
2. **Describe Walt Disney's appearance as given in the extract.**

When life becomes too hectic, we can end up feeling mentally tied in knots. Nothing seems easy and positive. Pessimism sets in and we cannot see a way out of our current problems. We can open a source of optimism with the technique of anticipating success.

1. **What happens when life becomes too hectic ?**
2. **Which thing shows us the way out of our current problems?**

**Customer**: It says "ERROR 412 - PROGRAM NOT RUN ON INTERNAL COMPONENTS". What does that mean?

**Customer Service Rep**: Don't worry ma'am, that's a common problem. It means that the LOVE program is set up to run on external HEARTS but has not yet been run on your HEART. It is one of those complicated programming things, but in non-technical terms it means you have to "LOVE" your own machine before It can "LOVE" others.

**Customer:** So what should I do?

1. **What is the customer's problem according to the Customer Service Representative?**
2. **How can the customer solve the error?**

Walt was so much the driving force behind all we did, from making movies to

building Disneyland that people constantly mention his name as if he were still alive. Every time we show a new picture or open a new features at Disneyland, someone is bound to say. “I wonder how Walt would like it?” and when this happens I personally realize that it was something he himself had planned. For my imaginative industrious brother left enough projects in progress to keep the rest of us busy for many years.

1. **Who was the driving force? How**?
2. **Which qualities of Walt Disney have been mentioned in the extract**?

When emotions have taken you over, it becomes nearly impossible to think clearly. Then it becomes very easy to make unwise decisions or to agree to something which is not to your advantage. The Screen Exercise shows you how to step back and emotionally detach yourself from your current situation so that you can see more clearly what is going on.

1. What happens when emotions take us over?
2. What does screen exercise show?

Customer: Let me see….I have PASTHURT. EXE, LOWESTEEM.EXE, GRUDGE.EXE and RESENTMENT.COM running right now.

Customer Service Rep: No problem. LOVE will automatically erase PASTHURT. EXE from your current operating system.

1. **Which of the following programme is not running ?**

**(A)**PASTHURT.EXE

**(B)**LOWESTEEM.EXE

**(C)**LOVE

**(D)**GRUDGE.EXE

2. **What can automatically erase PASTHURT.EXE ?**

When we breathe, there is a microscope movement of the carnival bones which in turn allows the cerebrospinal fluid to move freely through the spinal column and the skull. When tensed of upset and don’t breathe deeply enough, this can result in bones in the skull becoming slightly stuck together so that the fluid cannot circulate properly.

1. **What happens when we breathe?**
2. **What happens when we are tensed or upset?**

Let him live his life any way he wants to. I was late coming back home, but I did feel quite unburdened by what Dr. Kamble had said, a lot less worried. I thought the way Nana had made his adjustment with Nani; we should do it.

1. **Who had lessened the author's burden?**
2. **Who should make adjustment with Nana?**

When Nana left, Dr Kamble said, "He does not perceive your Nani as dead. He began to live a double life. In fact there is more of her and less of him. He has begun to think of himself as Nani. Whatever happens, it happens to her. She is the one who needs to be fed. She is the one feels thirsty. She is the one who feels the pain. And it is he who takes the medicines. He only swallows the pills on her behalf."

1. **Does Nana perceive Nani as dead?**
2. **Who has begun to live double life?**

**[Questions:11 &12]** **[2]**

Orphaned (lost his parents) at a very young age, Salim was bought up by his maternal uncle. As a child, Salim Ali was given an expensive air gun as a present and spent all his time shooting sparrows around the house. One day he noticed that one of the sparrows he had shot at had a yellow throat. He couldn't hold his curiosity and approached his uncle. His uncle who was equally clueless took him to the Bombay Natural History Society (BNHS) in the hope of finding an answer. There, the honorary secretary, W.S. Milliard also told him about the variety of sparrows. That day, Salim decided that he was going to be an ornithologist.

1. **By whom was Salim Ali brought up? Why?**
2. **Give a one word of substitute: 'A person who studies birds'**

After returning to India, Salim tried to get a job as an ornithologist with the Zoological Survey of India, but was rejected since he did not have an M.Sc. Ph.D. degree. He decided to study further to acquire eligibility Salim went to Germany and got trained under Professor Stressman, an acknowledged ornithologist in Berlin. However, when he came back to India, he found out that there were still hardly any opportunities in his profession.

1. **Why was Salim Ali not given a job as an ornithologist?**
2. **Why did Salim Ali go to Germany?**

One afternoon while waiting for her husband to finish a business meeting, Mansi toured an art museum. She was looking forward to a quiet view of masterpieces.

A young couple viewing the paintings ahead of her chattered nonstop between themselves. She observed them a moment and found the lady only taking all the time. Mansi thought of the man and admired his patience for putting up with her constant parade of words.

1. **Where did Mansi tour one afternoon?**
2. **What made Mansi get disturbed in the museum?**

Mansi learned something about patience, courage and love, that day. She saw the patience of young wife describing paintings to a person without sight and the courage of a husband who would not allow blindness to alter his life. Mansi witnessed the love shared by the two people as she watched his couple walk away with their arms intertwined. "Really her words are his vision" said Mansi.

1. **What did Mansi learn that day?**
2. **'Really her words are his vision' means**
   **(a) He was obedient.**
   **(b) He could visualize the world through the words of his wife.**
   **(c) His wife's words were true.**

Before the final game, life was ordinary, daily routine. Each day I awakened with a mental list of tasks I had to complete before the end of the day. My life wasn't too complicated: class, soccer practice, studying and sleep. Often I returned home from soccer field after heavy practice to study until the early hours of the morning.

1. **How was the author's life before the final game?**
2. **What were the tasks of the author in routine life?**

Having accepted well to my daily routine, I never imagined it would be altered. However, my life changed the day on the final game. It was the last game of the tournament; and winner would achieve 'championship.' My team had been under vigorous physical training for the past four years in anticipation of this day. But emotionally we were ready as well. I was ready. I entered the game with the mindset that the title was in our hands. We deserved it because our desire to win was great!

1. **What had the author not imagined?**
2. **What was the goal of the winner?**

"Captains!" called the referee. I approached the center of the field, and with confidence, looked in the eyes of my opponent while giving her a powerful handshake, wishing her

luck. As I took my position on the field, I knew it was time for the final game to begin. I took a deep breath and reassured myself that I would give this game best of my abilities as if it were the last game I ever played.

1. **What did the author do when the referee shouted 'captains!'?**
2. **What did the author reassure herself before the game started?**
